COVER SHEET & STUDENT DEMOGRAPHIC PROFILE

Paulding County School District · Special Education Services

STUDENT NAME: Brooklyn Smith **DOB: 05/18/2008** **GRADE: 10th Grade**

GTID: 9004812736 CASE ID: WP-2026-0046 GENDER: Female

SCHOOL: Paulding County High School DISTRICT: Paulding County School District

PARENT/GUARDIAN: Marcus Smith PHONE: (404) 555-0192

ADDRESS: 428 Heritage Oak Trail, Dallas, GA 30132

CASE MANAGER: Sarah Jenkins, Ed.S. PRIMARY ADVOCATE: Byron Honea (Waypoint Advocates)

MEETING DATE: September 15, 2026 INITIATION DATE: September 22, 2026

PRIMARY ELIGIBILITY: Specific Learning Disability (SLD) · Reading & Written Expression

SECONDARY ELIGIBILITY: Other Health Impairment (OHI) · ADHD Combined Type

ANNUAL REVIEW DUE: September 14, 2027 THREE-YEAR REEVALUATION DUE: March 10, 2028

IEP MEETING PURPOSE: Annual Review & Program Revision

PARTICIPATING LEA OFFICIALS: Sarah Jenkins (LEA Rep/Special Educator), Marcus Smith (Parent), David Miller (General Education ELA), Dr. Aris Thorne (School Psychologist), Byron Honea (Lead Special Education Advocate).

TEAM MEMBERSHIP & PROCEDURAL SAFEGUARDS RECEIPT

Documented Signatures & Excusal Attestations

TEAM ATTENDANCE VERIFICATION:

1. Marcus Smith — Parent / Educational Decision Maker [Signed: In-Person Attendance]
2. Byron Honea — Lead Special Education Advocate, Waypoint Advocates [Signed: Present]
3. Sarah Jenkins, Ed.S. — Special Education Teacher / Case Manager [Signed]
4. David Miller, M.Ed. — General Education Teacher (English Language Arts) [Signed]
5. Dr. Aris Thorne — District Representative / School Psychologist [Signed]
6. Clara Vance, MS, CCC-SLP — Speech-Language Pathologist [Signed]

PARENTAL NOTICES & RIGHTS ACKNOWLEDGMENT:

• Parent received written notice of meeting on September 1, 2026 (14 days advance notice).

• Georgia Department of Education Special Education Rights (Parent Rights) Booklet provided in parent native language (English).

• Excusal of Team Members: No required IEP team members were excused from this proceeding.

PRESENT LEVELS OF ACADEMIC ACHIEVEMENT (PLAAFP) — READING

Comprehensive Performance Metrics & Standardized Assessments

AREA: Reading Comprehension, Decoding, and Informational Text Analysis

BASELINE DATA & CURRENT LEVEL OF PERFORMANCE:

• Standardized Assessment (WJ-IV ACH): Passage Comprehension Standard Score: 81 (Low Average, 10th percentile).

• Oral Reading Fluency: 108 WPM on 10th-grade instructional prose with 88% accuracy (Goal: 135+ WPM at 96% accuracy).

• Lexile Framework Measurement: 780L (Grade-level expectation: 1050L - 1335L).

IMPACT OF DISABILITY ON INVOLVEMENT IN GENERAL CURRICULUM:

Due to deficits in orthographic processing and phonological working memory, Brooklyn experiences fatigue when reading complex, multisyllabic informational texts

PRESENT LEVELS OF ACADEMIC ACHIEVEMENT (PLAAFP) — MATHEMATICS

Quantitative Reasoning, Algebraic Concepts, and Problem Solving

AREA: Mathematical Reasoning & Multi-Step Word Problems

BASELINE DATA & CURRENT LEVEL OF PERFORMANCE:

• Standardized Assessment (WJ-IV ACH): Math Calculation: Standard Score 94 (Average, 34th percentile).

• Applied Problems Subtest: Standard Score 86 (Below Average, 18th percentile).

• Classroom Work Samples: Accurately solves linear equations when presented symbolically; demonstrates difficulty deconstructing narrative word problems conta

IMPACT OF DISABILITY ON INVOLVEMENT IN GENERAL CURRICULUM:

Brooklyn understands fundamental algebraic manipulation but struggles to translate verbal descriptions into algebraic expressions without visual organizers and fo

PRESENT LEVELS OF ACADEMIC ACHIEVEMENT (PLAAFP) — WRITTEN EXPRESSION

Syntax, Structural Cohesion, and Mechanics

AREA: Written Expression, Thesis Development, and Mechanics

BASELINE DATA & CURRENT LEVEL OF PERFORMANCE:

• Standardized Assessment (WIAT-IV): Essay Composition Standard Score: 83 (Below Average).

• Sentence Composition: Standard Score 89 (Low Average).

• Independent Writing Baseline: Produces 1-2 paragraph responses with minimal transitional phrases. Struggles with multi-step proofreading for comma splices, h

IMPACT OF DISABILITY ON INVOLVEMENT IN GENERAL CURRICULUM:

Disorganization and working memory vulnerabilities impede Brooklyn from planning, drafting, and revising five-paragraph essays concurrently. She benefits substa

PARENT CONCERNS & STUDENT STRENGTHS PROFFER

Advocate & Parent Submissions for 2026-2027 Program

STUDENT STRENGTHS & MOTIVATORS:

- Brooklyn is highly motivated, self-aware, and possesses strong interpersonal collaboration skills.
- Displays exceptional artistic ability, creativity in multimedia projects, and strong auditory retention.
- Consistently seeks clarification when she feels supported in structured small-group environments.

PARENT & ADVOCATE SUBMITTED CONCERNS:

1. Marcus Smith (Parent) expressed grave concern regarding inconsistent delivery of co-taught ELA accommodations during Q1, noting Brooklyn reported taking t
2. Byron Honea (Lead Advocate) highlighted that past service delivery logs showed 12 missed cotaught sessions due to substitute availability, requesting immedia
3. Family requests mandatory fidelity tracking sheets signed weekly by the special education case manager.

SPECIAL FACTORS DETERMINATIONS (IDEA 34 C.F.R. § 300.324)

Statutory Considerations & Assistive Technology Matrix

CONSIDERATION OF SPECIAL FACTORS:

- Behavior Impeding Learning: No. Brooklyn demonstrates compliant, respectful classroom behaviors.
- Limited English Proficiency: No. Primary language is English.
- Blind / Visually Impaired: No. Standard vision corrected with eyeglasses.
- Communication Needs: Yes. Benefits from speech-language therapy consultation for verbal reasoning.
- Deaf / Hard of Hearing: No. Hearing within normal developmental thresholds.

ASSISTIVE TECHNOLOGY CONSIDERATION (34 C.F.R. § 300.105):

- AT Required: Yes. Student requires Snap&Read or comparable text-to-speech extension, Co:Writer dictation software, and digital audio versions of class textboo
- Device Access: Dedicated district Chromebook with offline accessibility profiles enabled.

ANNUAL MEASURABLE GOAL #1 — READING COMPREHENSION

Target Competency: Multisyllabic Analysis & Central Idea Synthesis

GOAL STATEMENT: By September 2027, given a grade-level informational or literary text (950L-1150L) and assistive text-to-speech tools, Bro

SHORT-TERM OBJECTIVE 1.1: Given guided graphic organizers, Brooklyn will extract key supporting details and identify author bias in informational articles with
SHORT-TERM OBJECTIVE 1.2: Given digital text annotation tools, Brooklyn will annotate key vocabulary and determine meanings of figurative language with 85%
SHORT-TERM OBJECTIVE 1.3: Given a rubric, Brooklyn will write a cohesive objective summary without personal opinion scoring at least 16/20 on the district wr

EVALUATION METHOD: Weekly curriculum-based measurements, student work portfolio, and quarterly reading inventories.
RESPONSIBLE PERSONNEL: Special Education Co-Teacher, ELA General Educator.

ANNUAL MEASURABLE GOAL #2 — WRITTEN COMPOSITION

Target Competency: Multi-Paragraph Cohesion & Thesis Elaboration

GOAL STATEMENT: By September 2027, given a structured multi-paragraph prompt and speech-to-text software, Brooklyn will draft a four-to-

SHORT-TERM OBJECTIVE 2.1: Brooklyn will utilize a digital concept map to formulate a thesis and outline three distinct supporting arguments prior to drafting wi
SHORT-TERM OBJECTIVE 2.2: Brooklyn will incorporate at least two complex sentence structures with coordinating/subordinating conjunctions per paragraph wi
SHORT-TERM OBJECTIVE 2.3: Brooklyn will execute a multi-step proofreading checklist for grammar and mechanics, reducing grammatical errors to fewer than

EVALUATION METHOD: Bi-weekly written work samples, rubric scoring rubrics, and case manager portfolio reviews.

ANNUAL MEASURABLE GOAL #3 — MATHEMATICAL REASONING

Target Competency: Algebraic Multi-Step Problem Solving & Modeling

GOAL STATEMENT: By September 2027, given real-world narrative algebraic word problems, Brooklyn will correctly define variables, constru

SHORT-TERM OBJECTIVE 3.1: Brooklyn will highlight key quantitative values and eliminate irrelevant narrative distractors with 85% accuracy across 4 trials.
SHORT-TERM OBJECTIVE 3.2: Brooklyn will correctly apply coordinate geometric formulas using step-by-step cue cards with 80% accuracy across 3 trials.

EVALUATION METHOD: Chapter exams, bi-weekly quiz probes, and homework review sheets.
RESPONSIBLE PERSONNEL: High School Mathematics Co-Teacher, Special Education Case Manager.

ANNUAL MEASURABLE GOAL #4 — EXECUTIVE FUNCTIONING & ADVOCACY

Target Competency: Self-Advocacy, Accommodation Usage, & Deadline Tracking

GOAL STATEMENT: By September 2027, Brooklyn will independently access her digital planner, confirm submission of all weekly assignment

SHORT-TERM OBJECTIVE 4.1: Brooklyn will maintain an updated digital assignment tracker with 90% accuracy.

SHORT-TERM OBJECTIVE 4.2: Brooklyn will notify teachers at least 24 hours prior to exams to verify that extended time and separate testing arrangements are

EVALUATION METHOD: Weekly advocate check-ins, case manager checklists, parent progress updates.

PROGRESS MONITORING & REPORTING SCHEDULE

Quarterly Metrics & Formal Reporting Intervals

REPORTING FREQUENCY: Progress towards all annual IEP goals will be formally measured and reported to parents concurrently with district quarterly report ca

REPORTING PERIODS FOR 2026-2027 SCHOOL YEAR:

- Quarter 1 Progress Report: October 23, 2026
- Quarter 2 (Semester 1) Report: January 8, 2027
- Quarter 3 Progress Report: March 19, 2027
- Quarter 4 (Annual Review) Report: May 28, 2027

DATA COLLECTION PROTOCOLS: Case manager will record standardized probe scores into the Infinite Campus Special Education module bi-weekly. Hard cop

SPECIALIZED INSTRUCTION SERVICE MATRIX — ELA CO-TAUGHT

Direct Special Education Services Delivery Schedule

SERVICE: Co-Taught English Language Arts 10

SETTING: General Education Classroom (Inclusion Setting)

FREQUENCY & DURATION: 5 days per week, 55 minutes per session (275 minutes weekly)

INITIATION DATE: September 22, 2026 ANTICIPATED DURATION: May 26, 2027

PROVIDER: Special Education Certified Teacher & General Education English Teacher

SERVICE DELIVERY MODEL: Both general education content specialist and certified special educator provide parallel instruction, alternative grouping, and imme

SPECIALIZED INSTRUCTION SERVICE MATRIX — ALGEBRA I CO-TAUGHT

Direct Special Education Services Delivery Schedule

SERVICE: Co-Taught Coordinate Algebra

SETTING: General Education Classroom (Inclusion Setting)

FREQUENCY & DURATION: 5 days per week, 55 minutes per session (275 minutes weekly)

INITIATION DATE: September 22, 2026 ANTICIPATED DURATION: May 26, 2027

PROVIDER: Special Education Certified Teacher & Mathematics Teacher

SERVICE DELIVERY MODEL: Station teaching, guided practice, and concrete modeling for multi-step algebraic formulations. Certified special educator provides

RELATED SERVICES MATRIX — SPEECH-LANGUAGE THERAPY

Direct and Consultative Related Services Delivery

SERVICE: Speech-Language Pathology (Consultative & Integrated Sessions)

SETTING: Integrated Classroom / Therapy Room as needed

FREQUENCY & DURATION: 2 sessions monthly, 30 minutes per session (60 minutes monthly)

INITIATION DATE: September 22, 2026 ANTICIPATED DURATION: May 26, 2027

PROVIDER: Licensed Speech-Language Pathologist (CCC-SLP)

FOCUS AREAS: Receptive language processing, semantic mapping for academic literature, and verbal formulation during class presentations.

SUPPLEMENTARY AIDS & SERVICES (INCLUSION SUPPORTS)

Program Modifications Across All Academic Settings

MANDATED AIDS & SERVICES:

1. Peer Tutoring / Structured Study Partner: Available during group problem-solving.
2. Teacher Lecture Outlines & Cloze Notes: Provided prior to classroom lectures.
3. Visual Timers & Time Warning Signals: Provided 10-minute and 5-minute notices before transitions.
4. Calculator Usage: Access to TI-84 Plus graphing calculator during all instructional activities and tests.
5. Highlighting Key Directions: Critical test instructions highlighted in yellow ink by instructor.
6. Reduced Distraction Testing: Individual cubicle or separate classroom with fewer than 10 students.

CLASSROOM ACCOMMODATIONS & MODIFICATIONS

Daily Instructional and Testing Accommodations

ACCOMMODATION PROTOCOL:

- Extended Time: 1.5x standard time on all written assignments, classroom quizzes, and chapter examinations.
- Chunked Tests: Multi-page examinations administered across two consecutive class periods to alleviate cognitive fatigue.
- Oral Reading / Audio Delivery: Test questions and reading passages read aloud via text-to-speech or instructor for non-reading assessments.
- Frequent Breaks: 3-minute sensory/movement break permitted after 25 minutes of continuous cognitive output.
- Spelling & Grammar Exemption: Spelling and mechanical errors not penalized on initial drafts of content-based assessments (History/Science).

STATE & DISTRICT TESTING ACCOMMODATIONS

Georgia Milestones End-of-Course (EOC) Assessment Accommodations

STANDARDIZED TEST: Georgia Milestones EOC (American Literature, Algebra I, Biology, US History)

APPROVED STATE ACCOMMODATIONS (GaDOE Assessment Handbook):

- Standard Accommodation 1: Extended Time (1.5x allocated testing block).
- Standard Accommodation 2: Small Group Administration (no more than 8 students per proctor).
- Standard Accommodation 3: Text-to-Speech (Audio presentation for ELA Section 2 & 3, Math, Science, and Social Studies).
- Standard Accommodation 4: Frequent Supervised Breaks (5 minutes per section).
- Conditional Accommodations: None requested or approved for this cycle.

LEAST RESTRICTIVE ENVIRONMENT (LRE) DETERMINATION

Statutory Justification for Educational Placement

EDUCATIONAL ENVIRONMENT CALCULATION:

- Total Instructional Minutes per Week: 1,650 minutes
- Minutes Inside General Education Setting: 1,650 minutes (100% Inclusion with Co-Teaching)
- Percentage in General Education: 100% of the school day

LRE DETERMINATION JUSTIFICATION (34 C.F.R. § 300.114):

The IEP team considered more restrictive settings (Resource pull-out, Self-contained classes) and determined that Brooklyn's academic, social, and emotional ne

EXTENDED SCHOOL YEAR (ESY) DETERMINATION

Summer Services Consideration (34 C.F.R. § 300.106)

ESY CRITERIA EVALUATION:

1. Regression / Recoupment: Historical progress data demonstrates that Brooklyn regains reading fluency skills within 3 weeks following holiday breaks, well withi
2. Critical Learning Stages: Student is not currently at a critical stage of developing an emerging skill that would be irreversibly lost without summer programming.
3. Severity of Disability: Does not warrant continuous 12-month programming at this time.

TEAM DETERMINATION: Extended School Year services are NOT recommended for Summer 2027. Progress will be reviewed again in Spring 2027.

SECONDARY TRANSITION PLAN — POST-SECONDARY GOALS

High School Graduation & Career Preparation (GaDOE Rule 160-4-7-.06)

POST-SECONDARY EDUCATION / TRAINING GOAL: After graduation from high school, Brooklyn will enroll in a four-year university program (such as Kennesaw

POST-SECONDARY EMPLOYMENT GOAL: Upon completion of post-secondary training, Brooklyn will obtain competitive integrated employment as a digital grap

POST-SECONDARY INDEPENDENT LIVING GOAL: Brooklyn will live independently in an apartment or campus dormitory with roommates, managing personal fi

TRANSITION SERVICES & COURSE OF STUDY

Multi-Year Academic Pathway & Community Integration

PROJECTED GRADUATION DATE: May 2028 with High School Diploma

PLANNED COURSE OF STUDY:

- Grade 9 (Completed): 9th Grade Lit, Algebra: Concepts & Connections, Environmental Science, Civics, Visual Arts I.
- Grade 10 (Current): 10th Grade Lit (Co-Taught), Geometry (Co-Taught), Biology, World History, Graphic Design I.
- Grade 11 (Projected): American Lit, Advanced Algebra, Chemistry, US History, Graphic Design II.
- Grade 12 (Projected): Advanced Composition, Math Modeling, Economics, Graphic Design Practicum / Work-Based Learning.

AGENCY INVOLVEMENT: Georgia Vocational Rehabilitation Agency (GVRA) transition referral initiated.

PRIOR WRITTEN NOTICE (PWN) — SUMMARY OF DECISIONS

Notice of Proposed or Refused Agency Actions (34 C.F.R. § 300.503)

ACTIONS PROPOSED BY LEA:

1. Implement revised annual IEP with co-taught ELA and Algebra specialized instruction.
2. Provide assistive technology software (Snap&Read, Co:Writer) on 1:1 district device.
3. Retain 100% General Education inclusion placement with co-teaching supports.

ACTIONS REFUSED BY LEA:

1. LEA declined parent request for 1:1 dedicated paraprofessional, as data confirms Brooklyn functions independently in inclusion settings with peer supports.
2. LEA declined compensatory tutoring during this meeting, deferring to administrative dispute process.

BASIS FOR ACTIONS: WJ-IV psychoeducational evaluation, teacher work samples, Lexile progress monitoring, and parent meeting contributions.

CONSENT FOR PLACEMENT & DOCUMENT CERTIFICATION

Binding Educational Agreement & Procedural Signatures

PARENTAL CONSENT FOR PROPOSED PROGRAM:

I have been fully informed of my rights under IDEA and the Georgia Special Education Rules.

I understand the contents of this Individualized Education Program (IEP).

[X] I CONSENT to the implementation of the services and placement described in this IEP.

[ ] I DO NOT CONSENT to the implementation of this IEP.
